Prop. 39 Facilities Workshops

Presented in partnership with:

LAW OFFICES OF MIDDLETON, YOUNG & MINNEY, LLP

How can my charter school get school district facilities through Prop. 39?

This workshop will provide charter schools and charter school developers with an overview of Proposition 39, the law that requires school districts to provide reasonably equivalent facilities to charter schools. The program will help you answer the following questions:

- What is my school entitled to under Prop. 39?
- What do I need to know to prepare a strong Prop. 39 request? * We will review a newly revised Prop. 39 request for 2010-11 school year facilities process.
- How do I negotiate for Prop. 39 facilities with the school district?
